Professional Vendors Honored With Special Golf Outing and Luncheon

Northern New Jersey – September 10, 2009 – The Wentworth Group of West Long Branch held a special Platinum Sponsor Luncheon & Golf Outing on August 18, 2009 at the Regency at Monroe, a Wentworth Property Management property in Monroe Township. The outing was Wentworth’s way of giving back to its professional vendors who purchased booth space and supported the 2009 Wentworth Group L.E.A.D.S. Annual Conference & Expo held in Franklin Township on July 22. This year, thirty-one vendors offered platinum sponsorship for L.E.A.D.S. (Learn Evolve Achieve Deliver Succeed), an educational conference for the company’s associates and attendees, a significant increase over the nine sponsors in 2007.

Rob Francis, President of Planned Companies in Parsippany, elaborated. “L.E.A.D.S. ‘09 provided the education, energy and excitement for our team and associates that has already impacted our business in a truly meaningful and positive way. We were inspired by many of the speakers and informed on how WE can make a difference for our valued clientele. The vendor appreciation event that followed only solidified and validated the importance that Wentworth places on surrounding itself with best in class service providers to ensure that the highest quality service is being provided to its growing residential portfolio.”

Following a few hours of enjoyable golf, Wentworth Group Principal and Partner Michael Mendillo thanked the group at the afternoon luncheon, where 50/50 tickets were sold, with half of the proceeds going to the Rudy Ruettiger Foundation, he of Notre Dame Fighting Irish football fame. “Thank you,” he said to the group, “for believing in the vision of L.E.A.D.S., for making it more of a partnership, a relationship, and for not just being a client.”
